Re: Permit Fees, Gold Hill/Cactus Mill, M/045/049, Tooele County, Utah

Dear Mr. Moeller:

On August 2, 1999 we received your 1999 permit fee in the amount of \$100.00 which was billed to you for the Gold Hill/Cactus Mill small mining project. However, on July 20, 1999, after the billing statements went out, the status of this site was changed to a large mining status. Therefore, the permit fee for a large mine with less than 50 acres of disturbance, is \$350.00. An additional \$250.00 is now due for this project

Another billing statement is enclosed which states the new amount of \$350.00. Please realize that you have already paid \$100.00; therefore, please remit the additional \$250.00 by September 5, 1999.

Thank you for your cooperation. If you have any questions, please contact us.

Sincerely,

Joelle Burns
Minerals Secretary
